

AMONTario 2027 Symposium “To Infinity and Beyond: Managing Future-Ready Infrastructure”

Sponsorship Prospectus

Asset Management Ontario (AMONTario) is pleased to invite organizations to partner with us for our 2027 Symposium, “*To Infinity and Beyond: Managing Future-Ready Infrastructure*,” taking place April 14-15, 2027, at the Burlington Convention Centre.

This premier event will bring together approximately 300 municipal asset management professionals from across Ontario to explore emerging trends, innovative practices, and practical solutions that support sustainable, resilient, and future-ready infrastructure.

The Symposium will begin with a half-day of interactive workshops on April 14, followed by a full day of keynote presentations, technical sessions, and networking opportunities on April 15. Attendees will include municipal professionals responsible for planning, financing, managing, and maintaining public infrastructure, creating valuable opportunities for sponsors to engage directly with decision-makers and practitioners from communities across the province.

Sponsoring the 2027 Symposium is an opportunity to showcase your organization’s expertise, strengthen relationships with municipal leaders, and demonstrate your commitment to advancing asset management in Ontario. Whether your goal is to increase brand recognition, generate new business opportunities, or support the continued growth of the asset management profession, our sponsorship packages offer meaningful ways to connect with this highly engaged audience.

The following sponsorship opportunities have been designed to provide a range of visibility and engagement options to meet your organization’s objectives. The tables below summarize our sponsorship packages, followed by our à la carte offerings.

To discuss these options further, reach out to Jennifer Court at jenncourt@amontario.ca.
